AAA Backflow Testing & Repair, LLC herein referred to as "The Company" is not responsible for unforeseen problems that may occur due to old plumbing of any kind. If during the normal testing of a backflow device, any damage or breakage occurs due to corrosion, rust or other damage caused by age, vandalism, acts of nature or misuse by anyone, "The Company" shall be held harmless for such damage or breakage. In the event that "The Company" is unable to perform requested services on a Backflow Assembly due to actions or lack of actions of others beyond the control of "The Company", a \$75.00 trip charge will be assessed. Hourly labor and inspection charges will be doubled for services that can not be performed between 8:00 A.M. to 5:00 P.M. Monday thru Friday excluding holidays due to any circumstances beyond control of "The Company". Pricing can be changed accordingly for backflow assemblies that are difficult to access for inspection or repairs. A \$75.00 trip charge will be billed if approval is not given for adjusted prices for backflow assemblies with restricted or limited service access. Any additional clerical work necessary beyond control of "The Company" on behalf of the customer will be billed at a 1 hour minimum clerical labor charge of \$50.00. Additional clerical work is anything other than the normal procedures required for filing backflow inspection results on the customer's behalf to comply with the annual backflow inspection work order received from their water service jurisdiction. "The Company" reserves the right not to honor this Work Proposal for any reason.

**UNDER NO CIRCUMSTANCES CAN ASSESSED FINANCE CHARGES FOR LATE PAYMENT BE FORGIVEN OR WAIVED FOR ANY REASON WHATSOEVER.** Please ask for longer payment terms if the posted terms might not be met on time. A monthly Finance Charge of 25% will be assessed to the outstanding balance due for any invoice not paid on or before the posted due date. Finance Charges will be added every fifteen days to the most current past due balance that includes any previously assessed finance charges until full payment has been received by "The Company".

There will be a \$25.00 fee for any returned checks. Any court costs incurred for any reason will be added to the balance due. Customer is responsible for city fees and will be included as a separate item on an invoice. Any city fees will not be paid until the customer's total balance due has been paid in full. AAA Backflow Testing & Repair will only honor manufacturer warranties therefor there are no additional warranties offered beyond manufacturer warranties. There is no guarantee a backflow assembly will pass inspection after any repairs have been performed By AAA Backflow. If for any reason there are addition parts required for repair that is not listed in the Work Proposal AAA Backflow Testing & Repair reserves the right to utilize the necessary parts to complete the repair and add additional unlisted items to the customers invoice. By signing this Work Proposal the customer is agreeing to all the above terms and conditions.
